

# 6<sup>th</sup> Meeting

## Quality & Innovation in Personalised Pancreatic Care

Where Evidence Based  
meets Precision Medicine

### PROGRAMME

27-28 novembre 2023 Ospedale San Raffaele - Milano

**UNDER THE PATRONAGE:**

Associazione Italiana  
Gastroenterologi &  
Endoscopisti Digestivi  
Ospedalieri

**OTHER PATRONAGES REQUESTED:**

*AISP, EPC, SIED, SIGE*

**COURSE DIRECTORS:**

*Paolo Giorgio Arcidiacono*

*Gabriele Capurso*

*Claudio Doglioni*

*Massimo Falconi*

*Michele Reni*

**ORGANISING SECRETARIAT:**

**MEETING&CONSULTING**

*Via Michele Mercati, 33*

*00197 Roma Italy*

*quality2023@emec-roma.com*

*Fax +39.06.3231136*

## MONDAY 27 NOVEMBER 2023

14:00 – 18:00: “RETREAT” Pancreas Center

Presentations by San Raffaele Pancreas Centre researchers for interns and guests

## TUESDAY 28 NOVEMBER 2023

8.30 Registration

9.00 Greetings from Authorities and Course organisers

### SESSION I

**Organization Models and Process for an Optimal Pancreatic Neoplasms Care**

Chairs: *Gabriele Capurso (OSR Milano, ITA), Massimo Falconi (OSR Milano, ITA)*

9.30 **Pancreatic Disorders Care in Europe: organization models, unmet needs and the way to go.**

*Matthias Lohr (Stockholm, SWE)*

9.45 **Models for Pancreatic Disorders Care in Italy**

*Gianpaolo Balzano (OSR Milano, ITA)*

10.00 **Relevance of Centers' organization and experience in determining patients' experience and engagement**

*Guendalina Graffigna (Catholic University Milano, ITA)*

10.15 **Wrap up with Patients' Advocacy Organizations**

### SESSION II

**Early diagnosis of Pancreatic Cancer: opportunities and pitfalls**

Chairs: *Stefano Crippa (OSR Milano, ITA), Silvia Carrara (Humanitas Milano, ITA)*

10.30 **Surveillance of high-risk individuals: personalization and biomarkers, where is the holy grail?**

*Marco J. Bruno (Erasmus, Rotterdam, NED)*

10.45 **IPMNs: too much for nothing?**

*Giovanni Marchegiani (Padova, ITA)*

11.00 **Wrap up**

11.15 **Coffee Break**

### SESSION III

#### A tailored clinical approach to pancreatitis

Chairs: *Carlo Fabbri (Forlì, ITA), Andrea Anderloni (Pavia, ITA)*

11.30 **Personalized Approach to Acute Pancreatitis Treatment**

*Enrique de Madaria (Alicante, SPA)*

11.45 **Identification of etiology as the key to personalized treatment in acute and chronic pancreatitis**

*Luca Frulloni (Verona, ITA)*

12.00 **Wrap up**

### SESSION IV

#### Pancreatic Cancer beyond cancer cells

Chairs: *Claudio Sette (Roma, ITA), Federica Ungaro (OSR Milano, ITA)*

12.10 **The microbiome and Pancreatic Disorders**

*Albrecht Neeße (Hamburg, GER)*

12.25 **Nerves and Pancreatic Cancer, much more than pain**

*Ihsan Ekin Demir (Munich, GER)*

12.40 **Inflammation and Metabolism in Pancreatic Cancer**

*Gioacchino Natoli (IEO, Milano, ITA)*

12.55 **Exploiting the immune system to treat Pancreatic Cancer**

*Chiara Bonini (OSR Milano, ITA)*

13.10 **Wrap up**

13.25 **Lunch**

### SESSION V

#### From Images to Tissue: how to reach Personalized Treatment

Chairs: *Paolo Giorgio Arcidiacono (OSR Milano, ITA) Claudio Doglioni (OSR Milano, ITA)*

14.15 **Artificial intelligence in Pancreatic Endoscopy**

*Adrian Saftoiu (Bucarest, ROM)*

14.30 **“Liquid and Digital” A new era for pathology?**

*Aurel Perren (Bern, SWI)*

14.45 **Predictive and Prognostic roles of transcriptomics and organoids**

*Nelson Duseti (Marsiglia, FRA)*

15.00 **Pathway discovery in preclinical models**

*Alexander Kleger (Ulm, GER)*

15.15 **Wrap up**

## SESSION VI

### Personalized treatment of Pancreatic Cancer

Chairs: *Michele Reni (OSR Milano, ITA), Riccardo Caccialanza (Pavia, ITA)*

15.30 **Stage, Status, Mutations, Biomarkers: How to select the right treatment for the right patient?**

*Giampaolo Tortora (Roma, ITA)*

15.45 **Repurposing of old drugs as new players?**

*Alfredo Budillon (Pascale Napoli, ITA)*

16.00 **Nutrition and Exercise can influence chemotherapy tolerance and efficacy**

*Michele Milella (Verona, ITA)*

16.15 **Wrap up**

16.30 **Coffee Break**

## SESSION VII

### How to personalize treatment of Neuroendocrine Neoplasms?

Chairs: *Stefano Partelli (OSR Milano, ITA), Arturo Chiti (OSR Milano, ITA)*

16.45 **Genetics and epigenetics in NET**

*Ilaria Marinoni (Bern, SWI)*

17.00 **Molecular Rationale for Treatment options**

*Mauro Cives (Bari, ITA)*

17.15 **Radioligand therapy in GEP-NET: which is the best place in the treatment sequence?**

*Marco Maccauro (INT Milano, ITA)*

17.30 **Wrap up & conclusions**

---

## GENERAL INFORMATION

### VENUE

Ospedale San Raffaele  
Centro Congressi  
Via Olgettina 58  
20132 Milano MI

### REGISTRATION
