My Connect Best Bio competition: Win free registration to UEG Week

Enter our competition for a chance to win free registration to UEG Week 2024! Write an engaging bio for your My Connect profile, focusing on your research interests. Keep it clear, concise, and captivating. Don't miss this opportunity to have your registration fees covered!

Learn more and post your entry by August 15

Apply for the Rising Star Awards

Through recognising the most promising emerging scientists, UEG's Rising Star awards acknowledge young researchers' scientific independence and track record of publishing high-quality research on an international scale, and aims to provide them with a robust platform to further advance their careers and enhance their visibility.

Apply for a Research Fellowship in 2025

UEG will award two fellowships of € 50,000 each to two young researchers to spend 12 months working with a renowned principal investigator, with the aim to support the development of a basic or clinical research project and give the fellows the chance to improve their scientific skills.

Check out our website for a list of centres eager to support research fellows, so you can arrange your project application with ease.
